HIGHLIGHTS*

Quality

Miele products are designed to last. Our machines are tested to a service life of 20 years.

50% Quieter

New grinder motor for a 50% reduction in sound while grinding on all CM5 machines.*
*vs CM 5300

AromaticSystem

Intensive coffee aroma submerges the home with this intelligent technology.

Double Venturi Technology

Featured on all CM6 units, provides enhanced milk froth quality, temperature and quantity.

OneTouch for Two

The OneTouch for Two function allows two glasses of latte macchiato, cappuccino, coffee or espresso to be made at the same time.

WiFi Conn@ct

Convenient and time-saving, control your machine right from your mobile device.

Coffee Pot Function

Convenient when hosting lots of guests.

CupSensor

On the CM7, the sensor recognizes the cup rim and automatically adjusts the position of the central spout.

Automatic Rinsing

After making special coffee drinks that require milk, the machine is cleaned automatically.

AutoDescale

No more manual descaling: the CM7 model descales fully-automatically, so you never have to again.

Removable Brew Unit

Easy to remove and clean, your machine guarantees impeccable hygiene, long service life and perfect coffee enjoyment.

CoffeeSelect

Featured on the CM7 machine, enjoy 3 bean containers where your coffee specialty is always prepared with the right coffee bean.

*Highlights depend on model.
